

You are cordially invited to join Dressage at Devon in becoming a sponsor of the Born in the USA Breeders Awards

Born in the USA is the first awards program of its kind in the country. It was developed to recognize and reward the achievements of sport horse breeders in the United States. To be eligible a horse must be conceived and foaled in the United States.

The overwhelming generosity of the sponsors has made it possible to award over \$80,000 in prize money to owners and breeders since the program began in 2003.

Sport Horse breed shows around the country have joined in and Born in the USA Breeders Awards have been presented at shows in New York, New Jersey, Ohio, Maryland, Pennsylvania, Virginia, Kentucky and Texas.

Awards are given in 14 categories and are calculated from scores received in the open classes at Dressage at Devon on September 26, 2018.

All sponsors are invited to participate in the awards ceremony held Wednesday evening September 24 in the Dixon Oval and to join the Dressage at Devon Committee for a wine and cheese reception immediately following the ceremony.

Several levels of sponsorship are available and we hope you'll join us in celebrating the success of our Born in the USA horses, their breeders and owners.

We look forward to seeing you in September!

Best regards,

Lori Kaminski
